A screenshot of a web browser window showing the login page for Pacific Cross Vietnam. The browser's address bar displays "https://card-validation.pacificcross.com.vn/login". The page features the Pacific Cross Vietnam logo at the top. Below the logo, a light blue box contains the text "Please login with email and password provided by Pacific Cross Vietnam". There are two input fields: the first contains the email address "truongngo@pacific" and the second is a password field with masked characters "*****". Below these fields, there is a language selection section with the text "Choose Language | Chọn Ngôn Ngữ" and two flags: the United Kingdom flag and the Vietnamese flag. A blue "Login" button is positioned below the flags, and a link "Forgot Your Password?" is located just below the button. A speech bubble on the right side of the page contains the text "Enter email address & password (Nhập email & mật khẩu)".
